Dear Laura:

This correspondence is in response to your audit letter dated September 12, 2012 requiring a response by October 17, 2012. Your letter pertains to the Amended November Monthly Report, for the period of 10/01/11- 10/31/11. This correspondence should constitute a complete response to the item. In the event you need further clarification, please do not hesitate to contact us.

1.The additional debts reported on the amended report are a result of several invoices that were received via email on 12/20/11. After further questions and review of the invoices with the vendor, and upon payment of the invoices it was determined that reports needed to be amended to include these additional debts. These invoices were not received in time to include on either the November or December monthly reports. The invoices were in dispute and the questions we had were not answered until a few days before they were paid.

Please let me know if you have any additional questions, or need any additional information.

Sincerely,

\*\*\*\*\*
